

Bold. Energetic. Proud.

How to Consciously Master Change with Strength and Confidence

How do you mobilize the necessary energy in turbulent times?
How can you find the strength to motivate yourself and your team every day?
How do you and your team stay on track during turbulence and setbacks?

During this speech, leaders and employees will learn:

- ✓ How to have a confident and goal-oriented attitude.
- ✓ How to approach change responsibly and energetically.
- ✓ How to deal wisely with resistance, mistakes, and setbacks.

Topics in this keynote:

- The psychology behind our need for routine.
- Gain a committed and success oriented attitude.
- How to further develop your stamina.
- How to eliminate energy guzzlers and distractions.
- How to overcome hurdles with focus and willpower.

Markus Jotzo will make you laugh and smile at both yourself and your ingrained ways of thinking. He will also pick you up and shake you awake with his knack of forcing you to change perspective. Finally, you will proudly achieve your goals.
